VOLUNTEERS NEEDED

Unfortunately, during quarter 1, there are no volunteers or visitors allowed in the building.

We've had to adjust our typical calendar to accommodate. Keep positive thoughts to be allowed in during quarter 2!

Lots of great events we've been missing!

Yearbook:

We are looking for a volunteer to co-chair & take more of an active role in helping design the yearbook, for the next few years, if possible!

Book Fair 11/29-12/6:

We will need Adults to help the students during their Media Center time to make a wish list or shop with their money from home. More information to come.

Cookies & Crafts with Santa 12/3:

We are looking for helpers and volunteers at the craft tables, cookie & hot cocoa table.

Brick Bingo 1/21/22:

We are looking for businesses and families to donate a Lego set or money toward this event. Please send Jessica an email if interested!
